PLEASE SELECT ONE BOX IN EACH SECTION

The Family Educational Right and Privacy Act of 1974 (FERPA) protects the privacy of students' education records. However, FERPA allows the release of Directory Information about a student unless the student's parent(s)/guardian(s) inform the school in writing not to release such information. "Directory Information" includes the student's name, address and phone number; student's date and place of birth; student's course of study; student's participation in recognized activities and sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received; grade level; most recent previous school attended; email address; and photograph. The purpose of Directory Information is to allow the school to include this type of information in certain school publications such as a yearbook, newsletters, honor roll or other recognition lists, graduation programs, sports activity sheets, or student directory. Directory Information can also be disclosed to an outside organization in accordance with FERPA. Please check one of the two boxes:

- I allow the use of Directory Information as described above. Permission will remain in effect for the duration of your child's enrollment at Imagine Me Leadership Charter School.
- Do not disclose Directory Information as described above. I understand that will prevent my student(s) name from appearing in school publications such as school directories, yearbooks, and honor roll announcements.

Also, members of the Media may visit the school. When they visit, they often take photos or shoot live video footage. Please check one of the two boxes below.

- I allow the publishing and use of media photos and or video footage.
- Do not publish or use media photos or videos.
